## FREQUENTLY ASKED QUESTIONS...

### ✿ *HOW OLD SHOULD MY CHILD BE TO BEGIN IRISH DANCE?*

Most dancers do best if they are already in school, however we do offer a beginner class for dancers ages 4-5 who aren't yet in school or just started school. We also have a new program, Mini McGings, which is a pre-beginner class for children ages 3-4 who are too young for our beginner program.

### ✿ *HOW MUCH DO CLASSES COST?*

Beginner classes are \$50/month and our tuition system is based on a session basis (3 months) excluding September which is offered as a stand-alone monthly payment. Each session is \$150 (Fall, Winter & Spring Sessions).

### *WHEN DO CLASSES START?*

✿ The dance year begins the first week of September and ends just before Memorial Day (May). Most dancers start in September or October, however we do accept new students throughout the entire year. McGing follows a typical school schedule with breaks coinciding with holidays, etc.

### *WHAT WILL MY CHILD NEED TO BEGIN IRISH DANCE?*

✿ New dancers in beginner classes will need to purchase Irish Dance Shoes through the studio. Dancers may wear any type of athletic clothing to class and should bring a water bottle to each class. Additionally, a beginner costume will be purchased mid-year through the studio (one time fee).

### *WHAT EVENTS CAN MY DANCER PARTICIPATE IN?*

✿ Beginner Recital, St. Patrick's Day Parade, McGing Ceili (Annual Gala)
