IRISH DANCERS

2017-2018 BEGINNER CLASS INFORMATION

FREQUENTLY ASKED QUESTIONS...

How old should my child be to begin Irish Dancing?

New dancers do best if they are in school or (almost) 5 years old, however we do accept children starting at age 4. We are happy to offer a Preschool Sampler for those children who are interested in Irish Dancing but aren't old enough to register for beginner classes (ages 2.5-5).

How much do classes cost?

Tuition for beginner classes range depending on the length of the class. 60-minute classes are \$50/month and 45-minute classes are \$45/month.

When do classes start?

The dance year starts the week after Labor Day and runs through the last week of May/first week of June. Most dancers start in September or October but we do accept new students all throughout the year.

What will my child need to begin Irish Dancing?

New dancers in beginner classes will need to purchase Irish Dance Shoes through our studio. Dancers may wear any t-shirt and shorts and need to bring a water bottle to each class.
